

Governance Arrangements for Parkfield School 2017-2018

The governance arrangements for Parkfield school are currently undertaken by an Interim Academy Board (IAB). This IAB was established by the Regional School's Commissioners for the South West in July 2016. It was anticipated that the IAB would operate for one academic year, 2016-2017. However, the failure to find a suitable sponsor meant that the IAB continued into 2017-18.
