

Dear Parent/Carers

Re: Hurn bridge improvement works

You may well have noticed signs that have gone up recently around Hurn bridge stating that roadworks will be beginning on Monday 21st may for 17 weeks. The details of the planned improvements can be found at the link below.

<https://www.dorsetforyou.gov.uk/article/405708>

The information states that

Work will be off-peak - 9am to 4pm - with a mix of traffic management, including stop/go and narrowed lane widths in order to maintain traffic flows. There will be occasions when temporary three-way lights and night closures are needed.

We will endeavour to make contact with the Highways Department in Dorset to try and get a sense of how the work will be scheduled across the 17 weeks.

We will do everything in our power to support children and families during this period of inconvenience, particularly in regard to delayed parental pick up at the end of the day.

We will keep you informed if we receive any new information.
