6th December 2017

Dear Parents/Carers

End of Term Festive Party – KS2 Classes – Friday 15th December

It has been a great term for the KS2 students so to celebrate the end of term, we would like to hold a party within our classes on the last day of term.

The party will include games, fun activities and music. Our aim is to provide an opportunity for students to relax and spend an enjoyable last day in the company of their fellow class members. Students will be allowed to bring in a game/toy to play with – no electrical items please (phones, iPads, tablets etc).

To make this successful the children are invited to contribute some party food: crisps, fruit pieces, individual cakes, small pizza pieces etc (no sweets please). A small plate sized amount would be more than enough! We will be having our party food in place of our morning snack; this food **will not** be a replacement for their lunch.

We have spoken to the children and they have suggested foods they would like to bring. Please bear in mind we are a nut free school and only have a maximum of 28 children in each class; therefore one small packet / plate of homemade food of their choice will be enough. Please do not feel obliged to bring anything if it is not possible – I am sure we will have enough food to go around. Anything you are able to contribute will be happily and gratefully received.

Yours sincerely

Key Stage 2 Teaching Team
