At Parkfield our aim is to engender a sense of school identity and belonging and to encourage high standards of behaviour and appearance in students, whilst creating a sense of equality, ensuring that pupils of all races and backgrounds feel welcome.

The school welcomes children from all backgrounds and faith communities. If there are serious reasons why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests.

We request that all items be clearly labeled with the student's name.

Hair must be neat and tidy, with no extreme styles, edges or lines. Hair that is longer than collar length should be tied back at all times.

Students with ear piercings may wear only gold or silver studs. No other piercings are to be worn at any time. Rings, necklaces, bracelets and other jewellery are not to be worn at any time.

Make up is not allowed in until Year 9, at this point it should be discrete. False nails and nail varnish are not permitted.

It is expected that all students maintain pride in their appearance and take good care of themselves and the clothes that constitute their school uniform. If students are wearing a normal collared shirt, we expect students to wear their tie correctly, always fasten their top button and tuck their shirt in.

Students are expected to behave responsibly whenever wearing their uniform to/from/outside of school, remembering that they are representing the school community. We expect students to wear their uniform on the way home from school and do not encourage them changing into and leaving in their own clothes.

Students are welcome to submit honest feedback on the prescribed school uniform and this policy, and if they choose to do so, their voices and opinions will be carefully considered.

It is expected that parents/careers encourage their children to uphold the uniform standards of the school. Parents will be consulted for feedback on the uniform policy of the school, to ensure they fully support it and that their views are taken into consideration.

During periods of very hot weather the school uniform requirements will be reviewed to ensure that students can work effectively.

This policy will be regularly monitored and reviewed by staff and governors.
