Dear Parent/Carer

**Re: Establishing a Pre-school on site**

I am writing to the parents/carers of children at the younger age range of the school to see if there would be any interest in us setting up a pre-school on site.

The proposed pre-school would operate from our existing Reception classroom and would have free-flow access to the outdoor learning area. We would very much want to focus on delivering learning on Montessori principles and as such we would ensure that all staff were appropriately qualified. It is highly likely that we would re-deploy staff who already work within the school.

The pre-school would probably take children from 3 years old however, we would consider younger children if there was sufficient interest shown. We would look to operate the setting initially during term time only.

To register an interest (no commitment is required at this stage) please return the form below to our main reception or email me directly at [i.golding@parkfield.bournemouth.sch.uk](mailto:i.golding@parkfield.bournemouth.sch.uk)

I look forward to hearing from you.

Kind regards

Ian Golding
