September 2018

Dear Parents/Carers,

## Science GCSE Revision Guides

We are offering the opportunity to purchase the KS4 GCSE Science Revision Guides 9-1 to support your pupils in their GCSE science course and examinations. These books are those most favoured by our pupils and prove an invaluable resource for revision throughout years 9 to 11. They are offered at a discounted price of **£5.50** and are available through the Science Department.

I would also advise that an exam practise workbook is purchased, as these are great for revision and preparation for exams. The cost of these is **£6.50**.

As this course was first examined this year, there are very few example/practise papers. However, CGP have written their own sample exam papers which would also be extremely beneficial in exam practise and revision. There are two packs available each at **£2.75 or £5.00** for both.

Yours sincerely,

**Miss S Cosserat**  
Head of Science
