Dear Parents/Carers,

Travel to the New School – Bus Service Information

We are delighted to inform you about the bus service to the new site in September. We have contracted Yellow Buses to provide our bespoke bus service. This is a local company with many years of experience and a great reputation.

The bus service will help those who live in central Bournemouth and the surrounding areas to reach the new location for the school. We will have two double decker buses, with a seating capacity of 140 in total. The bus service will only be available for Parkfield School students who will be issued a special Parkfield Glo Card. Other Glo Cards will not be accepted on this service.

For those Parents/Carers with concerns regarding travel from the Bournemouth Travel Interchange, particularly for the younger students, we intend to supply a Chaperone on one of the buses.

The two buses will operate from the following locations in Bournemouth direct to our new school in Hurn:

1. Castlepoint (Castle Lane West)
2. Littledown (Castle Lane East)
3. Bournemouth Travel Interchange
