

Year 6 Willow & ELM

Summer Term 2 Newsletter

Literacy

In Literacy the Year 6 children will be looking at a range of different styles of writing including:

- Informal and formal letter writing based on D-Day landings.
- Instructional writing based on healthy eating.
- Descriptive writing based on the fantasy genre.

Numeracy

This half term studies will include project based work on the following areas:

- Designing, budget planning and running a theme park.
- Solving murder mysteries using mathematical strategies.

Topic

The Human Body

This half term Year 6 will be continuing to look at the human body and different functions of the human body. We will be exploring the investigations to plan and conduct experiments that test a hypothesis.

RE, PSHE, Citizenship & Other Learning

In PSHE this half term we will be developing a basic understanding of the following topics:

- Recognise how body image and can affect self-esteem.
- Understand relationships
- Identify changes during puberty
- Develop ability to resolve conflict

A huge well done to Year 6 for their hard work and efforts in SATS week. Both Miss Dunn and Miss Wilcox are very proud of all you!

Other information

- ✓ Go to our school website www.parkfieldschool.org to find out what's happening across the school.
- ✓ Sports Day – 19th June @ Kings Park
- ✓ End of year reports will be out later this half term!

Things to Remember:

Alice and Wonderland tickets are on sale!

Bring a sun hat, cream and plenty of water.

Attendance and merit celebration very soon!

Can your child explain how we recycle at Parkfield?

Bring reading record back to school on Mondays

Keep Smiling!
