20th December 2018

Dear Parents/Carers,

Year 5 – Winchester Science Centre and Planetarium

As part of our studies next term, we are pleased to be able to offer an educational visit for Year 5 students to Winchester Science Centre and Planetarium on **Thursday 17th January 2019**.

The trip is linked to our current International Primary Curriculum (IPC) topic 'Mission to Mars'. During the trip, our students will have the opportunity to explore the Planetarium as well as take part in a Destination Space Workshop.

Students taking part in the trip should arrive at school promptly at 8.50 am and will be returning at 15:15 in time for the buses.

Students should wear full school uniform, bring a warm waterproof coat, a packed lunch and a drink. If you are in receipt of free school meals and would like to order a packed lunch please contact the school office.

For the trip to go ahead we are asking for a voluntary contribution of £14.44 per student. This includes entry to the Planetarium and a workshop. Unfortunately it will not be possible to run this trip if enough money is not raised.

Please could payments be made by Friday 11th January via Wisepay, which can be accessed through the school website.

We are sure this will be an unforgettable learning experience for the students and will enhance their enthusiasm and understanding of a really exciting topic.

Kind regards.

Miss Sheppard & Mrs Hanson
Year 5 Teachers
