

Year 5 Maple

Spring Newsletter

Literacy:

- We will be looking World War I poetry and making our own versions as well as making a fact file about the war.
- Please feel free to support students by helping them learn more information about life in World War One.

Numeracy:

- Fractions (compare and order, recognise mixed and improper fractions and multiplying fractions.

Please supporting your child in practising their times tables. This then supports their learning in many other strands within our Maths studies!

Remember weekly practice on Times Table Rockstars!

Science:

Our Topic theme this half term is

Space

We will be learning about:

- Key information about each planet
- How seasons are caused by orbiting
- How time zones and day and night are caused by the spinning of the earth on its own axis
- Whether going to Mars is an option.

PSHE

Our theme for PSHE this half term is

Healthy Me

We will be looking at the following themes:

- How to maintain a healthy body
- How to maintain a healthy mind

History:

Our Topic theme this half term is:
British Invasion: Vikings to Saxons

We will be looking at the following:

- The impact of the Vikings on Britain
- The factors that enabled the Normans to defeat the Saxons.

French:

- Describe sports
- Describe opinions of sports

Other information:

- Now that the cold weather seems to be taking hold, could you please ensure that your son / daughter has a coat with them at school.
- We would like to thank you for helping your child with homework thus far and the students for doing such a great job – **Well done everyone!**

Things to Remember:
